

WELCOME

“This Land is Your Land”

This land is your land, this land is my land
From California to the New York Island,
From the redwood forest to the Gulf Stream water,
This land is made for you and me.

As I went walking that ribbon of highway
I saw above me that endless skyway,
I saw below me that golden valley
This land was meant for you and me.

This land is your land, this land is my land
From California to the New York Island,
From the redwood forest to the Gulf Stream water,
This land is made for you and me.

"God Bless America"

God Bless America, Land that I love
Stand beside her, and guide her
Thru the night, with the light from above.
From the mountains, to the prairies,
To the oceans, white with foam
God bless America, My home sweet home.

God Bless America, Land that I love
Stand beside her, and guide her,
Through the night, with the light from above,
From the mountains, to the prairies,
To the oceans, white with foam,
God bless America, My home sweet home,
God bless America, My home sweet home

"Let There Be Peace on Earth"

Let there be peace on earth, And let it begin with me; __
Let there be peace on earth, The peace that was meant to be; __
With God as our Father, __ Brothers all are we. __
Let me walk with my brother __ In perfect harmony.

Let peace begin with me, Let this be the moment now. __
With every step I take, Let this be my solemn vow; __
To take each moment and live each moment in peace eternally; __
Let there be peace on earth and let it begin with me. __
